SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Under 37 CFR 1.97

This Supplemental Information Disclosure Statement is filed herewith a Request for Continued Examination to report a search report from the European Patent Office dated 17 December 2003, with regard to application 01250080.7, which also claims priority from the same German application as the present case.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR §1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13, at 25.

This Information Disclosure Statement is made to comply with the duty of candor imposed on all individuals associated with the filing or prosecution of this application, as defined by 37 CFR §1.56(c).

Two (2) foreign patents are listed on one (1) sheet of Form PTO/SB/08A. A copy of each is provided. The European Patent Office search report is also included but not listed herewith. It should be noted that the search report also provides an additional reference that was previously provided in the Information Disclosure Statement filed on

July 5, 2001. Therefore, DE 197 49 891 is not provided herein.

The foregoing Information Disclosure Statement is based upon the information known to the inventor or contained in the undersigned attorney's file as of the filing date of this statement and is inclusive of the best information known to each of the undersigned at that date. Prompt consideration of the Information Disclosure Statement and the references by the Examiner is earnestly requested.
